

INTRODUCING

SATURN

OUR IN STOCK LAMINATED BOARD RANGE

A premium quality laminated stock board range from S.F. Williams - part of the FMS Foils Group.

We stock the following finishes in a B1 sheet size (720mm x 1020mm), we also stock our Saturn Gloss Silver (SAT001) in a B2 sheet size (520mm x 720mm). For our board range we use a fully coated WBFBB with a coated reverse (300gsm 470mic resultant) and for our top liner range we use a premium virgin fibre paper (155gsm 155mic resultant).

Our laminates are aimed primarily at the luxury cosmetics, pharmaceutical, drinks and point of sale. All laminates are suitable for UV and conventional litho, flexographic and gravure printing.

For A4 samples, B1 CAD samples and pricing please call us on 01702 463566 - option 2, or email us at info@fmsfoils.co.uk

- MOQ for stock lines is 500 sheets
- Other board calipers, finishes and coloured laminates are available but will be subject to a higher MOQ.
- For digitally printable laminates we can offer an alternative range, please call to discuss.
