

FMS FOILS GROUP

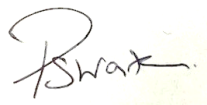

CORPORATE ENVIRONMENTAL POLICY STATEMENT

FMS Foils Group Limited maintains a responsible and professional approach in the management of its operational activities and endeavours to minimise the impact of those activities upon the environment.

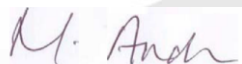

The Group recognises the importance of environmental management as a key business objective.

The following specific objectives form the basis of the Corporate Environmental Policy:

- 1 All of the Company's operations will meet or surpass all relevant local, national and European regulations.
- 2 The Company will apply the Waste Hierarchy – waste prevention (preferred option), minimisation, reuse, recycling, energy recovery and safe disposal (final option).
- 3 The Company will render unusable any substandard trademarked materials through a destructive process in accordance with requirements of the BRC Global Standard for Packaging and Packaging Materials.
- 4 The Company will maintain effective communications with all its main suppliers and customers to assist in minimising the overall environmental impact of the industry sector within which it operates.
- 5 The Company will endeavour to be an environmentally responsible neighbour.
- 6 The Company will actively cooperate with and assist to the best of its ability the appointed officers of Regulatory Authorities in the exercise of their proper duties.
- 7 The Company will provide training and support to its employees to enable them to implement and contribute positively to its policy of continuous improvement in environmental matters.
- 8 The Company will undertake a gap analysis, with a view to becoming certified to ISO:14001 for its Environmental Management System.
